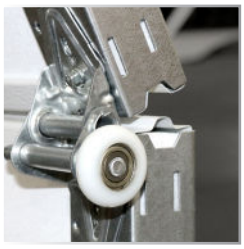
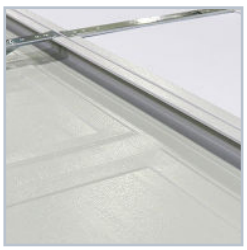
Classic Look, Unyielding Strength

The combination of durable, 24 gauge steel, defined raised panel styling and authentic woodgrain texture gives your home fantastic curb appeal with TradeMark™ garage doors. Add charm with colonial or ranch panels, or for a distinctive look on your home, choose the recessed colonial grooved option.

Hardware
Track formed from strong galvanized steel, paired with durable, long-wearing nylon rollers ensures smooth, quiet operation.



Section Joints
Strong, roll-formed tongue-and-groove meeting rails seal out wind, rain, and snow, keeping your garage dry and secure.



Insulation
Optional energy-saving core of polystyrene insulation provides added comfort and helps keep your garage quieter.

Authentic Woodgrain
Authentic woodgrain texture on the door's exterior adds visual appeal.

Encore™ EN200

Beautiful and Practical

The Raynor Encore steel two-sided residential garage door boasts both beauty and practicality. This 2" thick polystyrene insulated door comes in a variety of styles and colors, including the stylish shaker panel, as well as 4 new colors exclusive to this model. The variety of options paired with a gunite surface texture, embossed panels and thermal benefits, give homeowners the perfect door to enhance the look of their home at an economical price point.

Encore is also available in commercial sizes, up to 16' high, and comes with our Raynor commercial hardware.

Polystyrene Insulation
2" thick sections feature a core of polystyrene insulation bonded between two high-strength steel skins, for a thermally beneficial option, resulting in a 10.0 R-value*.
